We will be inside and outside, but most of the day we'll be outside, so appropriate clothing and gear is essential. Kids should wear play clothes that can get dirty/damaged. Students should wear clothing for project work and for play. The weather could be warm or cool, so a jacket or sweater should be with them.

All students should wear **closed toed shoes**.

Don't forget a durable water bottle.

What NOT to Bring

In order to stay focused on planned activities and eating healthy meals, students should NOT bring:

- iPods or other listening devices
 - Cell phones
- Electronic games
 - Money
- Comic books
- Junk food – gum, candy, soda

****These items will be taken away for the day if brought to the summit****

Will your child require transportation? Let us know and we'll pick up your child and return them when the Summit ends. Contact information will be on the following page.
